**Website: [www.centerforcontextualchange.org](http://www.centerforcontextualchange.org)**

Celebrating the resiliency of the human spirit and a commitment to helping others, the Center for Contextual Change was created in 1993 to provide hope and positive change. Dedicated to assisting individuals, couples and families to enhance their strengths, develop new coping strategies and heal emotional wounds, the Center utilizes a strength-based contextual therapy to empower positive transformation and restore emotional balance. The Center offers group, individual and family therapy, and utilizes a variety of evidence-based modalities. We are a Blue Cross Blue Shield PPO provider and will work with all out of network plans and has offices in Chicago, Elmhurst and Skokie.
